

**Town of Canton
Animal Control Fee Policy**

The Town of Canton requires a fee of \$40.00 per incident to be paid by the owner/care taker upon return of any at large animal in the Animal Control Officer's possession. This fee shall be paid directly to the ACO. The ACO must actively attempt to locate the owner of such animal. If the ACO delivers the animal to the animal shelter, the fee shall be paid to the animal shelter upon return of the animal. The animal shelter is to transfer the fee to the ACO. The fee collected will be equally divided between the ACO and the Town of Canton.

This Policy is enacted at a regular and duly called meeting on this 14th day of November, 2013.
